FYI, Leif Palmer got the go-ahead this evening for us to send the 3<sup>rd</sup> set of comments to FDEP. As he was able to get in touch with Matt quickly, he asked Matt to send them out. (Thanks for taking care of that Matt!)

Heather, Kristen, Stephanie, and Jason,

Hope you and your families are safe as Hurricane Michael approaches the gulf coast.

We understand that you are under a time crunch with the 404 assumption rulemaking and so we wanted to provide you with our third set of comments on the draft rule package. These comments have been cleared by EPA Office of General Counsel and Office of Water.

Thanks and our thoughts are with you down in Florida.

Matt
